

Description

Modern interior design is characterised by clean lines and flush finishes. Shadowline sections provide simple yet effective details to interior spaces, such as ceiling perimeters, doorways and skirting boards, amongst other applications. To create a unique profile for your project INVI Concept presents Custom Shadowline; made to meet your specific size requirements for the perfect fit in your design.

Features

- Create the exact shadowline you need.
- Allow for variations in floor height or plaster thickness using a custom formed section.
- Heavy duty material to create a perfect straight and clean line.
- Custom lengths and widths available on request.
